## Summer Holidays

Plans are now in place for what we hope is a lovely summer. We have trips and visitors planned throughout the holidays for your children to enjoy.

Please book your spaces on Cheqdin. We know some day will sell out so please do ensure the support you need by booking early, especially **Thursday 22<sup>nd</sup> of August** (GCSE results day) and the two teacher training days on the **2<sup>nd</sup> and 3<sup>rd</sup> of September**.

As a reminder we will be closed on Friday 9<sup>th</sup> of August and Friday 30<sup>th</sup> of August for staff training days.

## Staff Needed

We are still recruiting staff, if you have a contact who may join the team, please do let them have our contact details. We'd love to hear from them. Please also check our [website](#) for details.

## Medication

Our policy states that we can only administer medication that has been prescribed. If you need us to administer prescribed medication, please do let us know in advance as there is paperwork we have to prepare. Thank you.

## Fundraising

If you are able, please consider donating to this worthwhile cause on behalf of a little girl who sadly passed away earlier this year.

## Outdoor Summer Safety

Keeping ourselves and children safe on summer days out is important. Along with sun protection and hydration it's recommended that you go prepared with a weather forecast. The Met Office provide forecasts for mountain areas such as the Dales and Lakes at [Mountain weather forecast - Met Office](#), as well as coastal forecasts at [Beach forecast and tide times - Met Office](#)
