Dear Families,

Fee changes with effect from 1 April 2025

We are writing to inform you of fee increases which will take effect from 1 April 2025.

The Trustees of Dringhouses Out of School Club have conducted a detailed review of fee rates in order to notify families in advance of increases required for the beginning of the new financial year.

Several factors have been identified impacting on the budget over the coming financial year 25/26. Some are known increases (e.g., increases to the National Living Wage 12% and other fixed costs) and some yet to be identified (e.g., the impact of supply chain increases). With this in mind we have had to increase fees for the next financial year, but to support families we have been able to minimise the increase to fees which is well below current inflation levels.

Therefore, with effect from 1 April 2025, the main rates that will apply are:

	Current Fees	Fees from 1 April 2025
Breakfast Club	£5.50	£5.75
After School Club	£11.75	£12.75
Holiday Club Full Day 7:30-18:00	£31.00	£34.00

Dringhouses Out of School Club has invested in an Assisted Places scheme which is available to support Families, subject to certain criteria. Although this is designed specifically for families on low incomes, please bear in mind that applications can be made to this fund when Families suffer sudden financial changes that can lead to hardship. The current Assisted Place rate fee is available upon application and you are welcome to speak to the manager who will guide you through the process.

More information about government funding is available via the childcare choices website at
