Staff Update

We are delighted to announce Grace as our newest recruit to the team. Grace has volunteered at the school and had a placement with the EYFS children at Dringhouses as part of her York College course.

Congratulations to Hannah who recently passed her mathematics exam, fantastic!

Fundraising

If you work for an organisation or know of any links to grants that we may be able to apply for please do let us know. We also have a fundraising page where we can get money when you shop, please follow link for details.

Year 6 leavers

Good luck to all the Year 6 leavers, we will miss you and wish you all the best for secondary school!

Trustee recruitment

We are looking for new trustees to join our board. Please see the attached pdf for details.

Summer Holiday Club Update

We're only a week or so away and we're looking forward to a lovely six weeks with the children.

Cheqdin always has the latest availability, some days are now full, but we have spaces some days.

If we're full and you have an emergency please do contact us, we will always try and help.

A reminder that the school is closed on 2nd and 3rd of September, we're open if you need us.

Can you help us to help you?

Are you involved in any sports clubs, providers or similar? Could you run a short session or two during the holidays? If so, please do contact Lauren or Mark.

Sunscreen

If the sun ever blesses us again, we'll make sure children have sunscreen. Don't forget to label any tubs and tubes that you send in – thank you.

Fun Facts

The Eiffel tower grows in the summer as the metal expands. If you're going to Paris this

summer perhaps you check this!

While you're there have a look at the Mona Lisa to see if it's true that she has no eyebrows.

The Humber Bridge is the longest suspension bridge in the world that you walk or cycle across. If you're heading to The Deep why not have a walk over.

See you soon!

If we don't see you beforehand, please have a lovely summer and look after each other. We will see you on September the 4th for the new school year.

Expansion

Thank you for your support on our recent expansion news and thank you for your patience while we work through the administration of allocating these new spaces.
