Fundraising

Over the years we, the children and families, have donated to a number of charities, including, Water Aid, foodbanks, St. Leonards Hospice, Door 84, British Heart Foundation and others. You kindly donated £123 for the causes supported via the Great Selby Bike Ride ~ thank you.

We would now like to raise some funds for ourselves:-

- 1) We have a fundraising page where we can get money when you shop, please follow this [link](#) for details.
- 2) We will be launching a one-off hair-brained fundraiser shortly...watch out for the details!

Unwanted Spare Clothes

We need spare clothes for children aged 7 and over please. If you're having a clear-out please do bear us in mind. T Shirts, jumpers, trousers and waterproofs all very welcome. Just drop them off with any member of staff.

Summer Safeguarding and Safety

The summer is here, enjoy it...

To keep safe during the summer months it's worth checking out specialised Coast and Mountain weather forecasts via the Met Office.

- The [Coast and Sea](#) pages give tide times, weather and UV forecasts plus links to information on lifeguarded beaches by the RNLI.
- The [Mountain](#) forecast gives detailed information on expected weather conditions for all UK mountain ranges, including the wonderful three Yorkshire Peaks.

There is a great website from the [NHS](#) here about the 5 S's of safety in the sun

1. slip on a t-shirt
2. slop on sun cream with a high protection factor
3. slap on a wide brimmed hat
4. slide on some quality sunglasses
5. shade from the sun wherever possible

Finally, there will be days when some children will be on their devices, the NSPCC have a section on their website about Artificial Intelligence (AI) and how to keep children safe. The link is [here](#).
